

EAFE

Presents

Food Engineering for Life

**Honorary Symposium for Professor Emeritus
Marcus Karel**

17 May 2016

**Samberg Conference Center at MIT,
Cambridge, MA, USA**

This Honorary Symposium hosts Keynote Speakers from academia and industry reviewing the importance of Food Engineering in past, at present and in the future.

Keynote Speakers

Prof. Jose Aguilera, Pontificia Universidad Catolica de Chile, Chile
Prof. Gustavo Barbosa-Cánovas, Washington State University, USA
Prof. Charles L. Cooney, MIT, USA
Prof. Dietrich Knorr, Technical University of Berlin, Germany
Prof. Theodore P. Labuza, University of Minnesota, USA
Prof. Robert Langer, MIT, USA
Prof. Bernard Lengerich, USA
Dr. Mohan Rao, PepsiCo, USA
Prof. Sam Saguy, The Hebrew University of Jerusalem, Israel
Prof. Sudhir Sastry, The Ohio State University, USA

Scientific Committee Chaired by Yrjö H. Roos

Shuji Adachi	Peter Lillford
Jose M. Aguilera	Daryl B. Lund
Lilia Ahrné	Brian McKenna
Gustavo Barbosa-Cánovas	Stefan Palzer
Remko Boom	Micha Peleg
Mladen Brncic	Paola Pittia
Solke Bruin	Hosahalli Ramaswamy
Roman Buckow	Yrjö H. Roos
Pilar Buera	Sam Saguy
Jorge Chirife	Sudhir Sastry
Charles L. Cooney	R. Paul Singh
Sakamon Devahastin	Louise Slade
Peter Fryer	Paulo Sobral
Dennis R. Heldman	Walter Spiess
Terry A. Howell, Jr.	Da-Wen Sun
Mukund Karwe	Petros Taoukis
Dietrich Knorr	Antonio Torres
Jozef Kokini	Gilles Trystram
Ted Labuza	Jorge Welti-Chanes
Robert Langer	Eric Windhab
Harry Levine

Food Engineering for Life

Honorary Symposium

Program

- 8.30 – 9.00 Opening - Food Engineering Experience
Professor Emeritus Marcus Karel
- 9.00 – 9.30 A Century of Food Engineering
Professor Ted Labuza
- 9.30 – 10.15 Commentaries
Dr. James Behnke (video)
Professor Solke Bruin
Professor Daryl Lund
Professor Micha Peleg
Coffee
- 10.30 – 11.00 Food Engineering Innovations
Professor Gustavo Barbosa-Cánovas
- 11.00 – 11.30 Food Engineering Today
Professor Jose Aguilera
- 11.30 – 12.00 Food Engineering and the Future
Professor Dietrich Knorr
- 12.00 – 12.30 The Interface of Food and Biochemical Engineering
Professor Charles L. Cooney
Lunch
- 13.30 – 14.00 Food Engineering in Academia and Industry
Professor Sudhir Sastry and Dr. Mohan Rao
- 14.00 – 14.30 Food Industry Perspectives
Professor Bernard Lengerich
- 14.30 – 15.00 The Role of Innovation in Shaping the Future Food Engineering
Professor Sam Saguy
- 15.00 – 15.30 Beyond Food Engineering
Professor Robert Langer
Coffee
- 16.00 – 18.00 Open Floor
Speakers 15 + 5 min each to be determined.
- 18.30 Reception for Professor Marcus Karel and Dinner

European Academy of Food Engineering (EAFE) organize a one-day event to celebrate Professor Marcus Karel, an Honorary European, and his contributions to Food Engineering and the World on Tuesday 17 May 2016 in collaboration with several scientific organizations.

Sponsors of the Symposium
